Asynchronous online courses occur through online channels without real-time interaction and are taught 100% online, but do not have an assigned meeting time for the course. When you register for an asynchronous course in MyNIU, it will indicate the course is online (100%) asynchronous where the "room" is listed. There will not be listed course meeting times.

Synchronous online courses occur in real time and are taught 100% online, but students will meet with the class at a set time each week. When you register for a synchronous course in MyNIU, the system will indicate the course is online (100%) synchronous where the "room" is listed. You will also see course meeting times listed.

Asynchronous online courses occur through online channels without real-time interaction and are taught 100% online, but do not have an assigned meeting time for the course. When you register for an asynchronous course in MyNIU, it will indicate the course is online (100%) asynchronous where the "room" is listed. There will not be listed course meeting times.
